About Us

At Mirsar For Building Cleaning Services, we specialise in delivering top-notch cleaning solutions tailored to meet the needs of commercial and residential properties. With a commitment to quality, reliability, and exceptional service, we ensure your space remains spotless and welcoming.

Message from the founder

I am excited to announce the establishment of our new cleaning services company in the UAE. We are committed to providing our customers with the highest quality cleaning services, tailored to meet your specific needs. Our goal is to deliver excellence in every aspect of our work, ensuring that your spaces are spotless, hygienic, and welcoming. We have invested in the best tools and trained professionals to ensure that you receive the best service possible. We look forward to the opportunity to serve you and exceed your expectations.

Ashok Moktan

Our Mission

To provide exceptional cleaning and maintenance services in the UAE, ensuring a hygienic and safe environment for our clients through dedicated and reliable service, attention to detail, and the use of eco-friendly practices.

Our Vision

To be the leading cleaning service provider in the UAE, recognized for our commitment to quality, sustainability, and customer satisfaction, making every space we serve cleaner and healthier for the future.

Why Choose ?

Mirsar For Building Cleaning Services

With a strong foundation in the industry since 2019 as a trusted Manpower supplier, we have built a reputation for reliability and excellence. Our success in running a well-established group of companies is now extended to our cleaning services. We bring the same commitment, expertise, and dedication to ensuring top-quality cleaning solutions, tailored to meet our clients' needs and exceed their expectations.

Experienced Professionals :

We tailor our services to fit your specific needs and schedule.

Eco-Friendly Products:

We use environmentally safe cleaning agents to protect your health and the environment.

Quality Assurance:

We maintain high standards and perform regular quality checks to ensure your satisfaction.
